OUTDOOR LIVING

CREATING AN OUTDOOR SPACE. AN EXTENSION OF THE INDOORS INTO THE OUTDOORS

Building the backdrop to an adapted space, using eclectic pieces of furniture you already have. Coupled with planters, adding a table and chairs makes for the perfect outdoor living environment.

Creating a stone folly living space

Creating a custom backdrop for your garden, gives individuality and a beautiful setting to enjoy an outdoor kitchen, sheltered corner, potting shed, hot tub area...

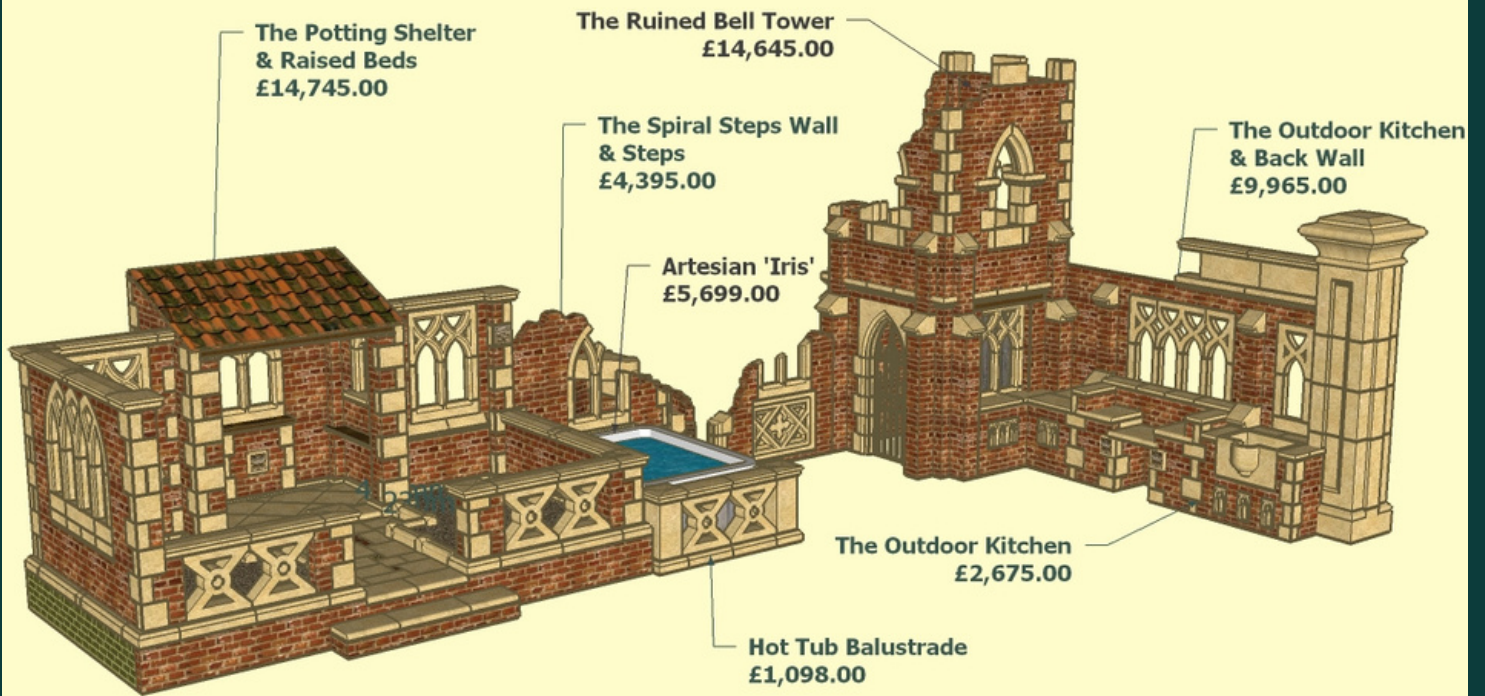

Check out below sections of the Stoneworks Show Garden Available with prices.
